

Rule Your Rulers

by Kaye England

CUTTING INSTRUCTIONS:

The following quilt uses all the same size strip and four Nifty Notions® specialty rulers:

- Half Square Triangle (NNHS)
- Quarter Square Triangle (NNQS)
- Half Rectangle (NNHR)
- Bias Triangle (NNBT)

Cut all strips for units $4\frac{1}{2}$ ".

Cut all sashing rows $2\frac{1}{2}$ ". This will keep you on a grid that will allow everything to fit.

ASSEMBLY INSTRUCTIONS:

Assemble the rows according to the diagram. This project was made by Donna Schneider of Kelowna, BC Canada. Special thanks to Donna for her permission to use this for class handouts.

This was simplified by using specialty rulers and all one size fabric strips. Great way to showcase your fabric collections.
