

# Betsy Ross Sampler

This fun setting for a Betsy Ross Sampler will become one of your favorites using 6" and 12" blocks. This is a great place to use all of your scraps and also to play with settings. We will also chat about Betsy Ross and her many contributions.

## Class Supply List

### Project Size

61" x 76"

### Fabric Requirements

- 1/2 yard top border and sashing
- 1/2 yard bottom border and stars
- 1/2 yard red stripes in flags
- 1 yard for left and right border/sashings
- 1½ yards total of mediums & darks
- 2 yards total assorted lights
- 5 yards backing and binding

For the above yardage – you can just choose a FEW lights and darks to practice the technique in class or come prepared with all of your fabrics. Any color choices will work. In addition to the fabric, I recommend the Nifty Notion Half Square and Quarter Square triangles for quick work on this quilt. Rulers will be available in class BUT are not required. You can choose the method you prefer after demos in class.

This project requires the following specialty rulers:

- Half Square
- Quarter Square

Rulers can be pre-ordered from [KayeEngland.com](http://KayeEngland.com) or purchased from your local quilt shop.

In addition to the fabrics, you will need:

- Rotary cutting equipment
- Sewing machine in good working order
- Cutting Mat
- 12" or 15" square (optional)

Most importantly come to class with an open mind and plan on having a great time.

See you in Class,  
Kaye
