

Eleanor's Eulogy supply list

Refer to the photograph on page 23 of Voices of the Past volume II. I recommend you do not cut any of the fabrics prior to class as we will discuss options in color, size, placement, etc.

If you choose to make the same size as listed you will need:

1 3/4 yds of the main print
Assorted chosen color to equal 2 yds (I used reds)
Assorted backgrounds to equal 1 3/4 yds

All sewing supplies you like to have on hand when you work.
Sewing machine in good working condition
rotary cutting equipment
any half square and quarter square ruler (available in class)

Camera for remembering the other good ones!
