Somewhere in Time

Supply List

A fun class designed to learn more about working with scrap fabrics and a bounty of techniques to achieve that timeless look.

We will study a variety of patterns and methods during this class. You should select your favorite pattern from the book and select fabrics for this pattern or come to class with a variety of scraps and an open mind. In addition to this you should bring:

Sewing Machine in good working condition
Rotary Cutting Equipment
Half Square and Quarter Square rulers
(these can be preordered from <kaye@kayeengland.com>
Your favorite tools you like to have on hand when you work

Camera
Film
Notebook and Paper
Setting Triangle (Omnigrid) optional

Most Importantly come to class with an open mind and plans to have a great time.
