

Checks & Chicks pg 33 Hobo Quilt correction

by Kaye England

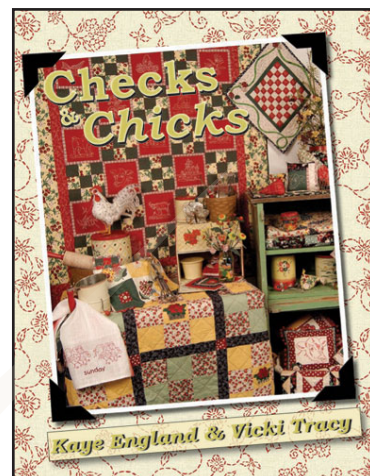

This update addresses errors in the original version of this pattern. If you are in question that you have the latest version, use this guide as a reference.

Under the Fabric column, the Mini Dot and Green Linen should be reversed as shown. All the information in the B & C column is unchanged, just swap the names of the fabric.

Under instructions for piece B & C, the reference page should be PAGE 60, not page 8.

If you have any questions, please email us info@kayeengland.com or call 317-780-1KEP(1537) during regular business hours.
