

11" SQUARE RULER

All Kaye England series rulers are designed to be compatible with each other, ensuring accurate cuts and allowing you to utilize these rulers for all of your cutting needs.

Each ruler is labeled with its size or the name of the specific job it does. Good Measure rulers are accurate, easy to read, and versatile. Designed in partnership with Kaye England, a donation to breast cancer research is made for every Good Measure ruler sold.

What the 11" Square ruler does:

A square ruler is used to make straight cuts, to create square pieces, or to square-up completed blocks. Good Measure rulers make it easy for right- or left-handed users to position the ruler on the fabric. Abundant sight lines assure accurate fabric placement under the ruler. Notice the Clear Position Circle at the intersection of each line.

Be sure the edge of the fabric is centered under that circle for accurate cuts every time!

*Good Measure® rulers are available in 20 different styles.
