

CIRCLE TEMPLATE

All Kaye England series rulers are designed to be compatible with each other, ensuring accurate cuts and allowing you to utilize these rulers for all of your cutting needs.

Each ruler is labeled with its size or the name of the specific job it does. Good Measure rulers are accurate, easy to read, and versatile. Designed in partnership with Kaye England, a donation to breast cancer research is made for every Good Measure ruler sold.

What the Circle Template does:

The Circle Template is designed with a simple purpose—to create accurate circles and arcs. Use it to easily draw the desired cut line for circles from 1” to 7.5”, and also to quickly add a turn line exactly .25” from the cut line. Indispensable for creating the centers for Dresden-style plates using the 22.5 Degree Wedge ruler (#GM225D).

Good Measure® rulers are available in 20 different styles. Collect them all!
