

HALF RECTANGLE RULER

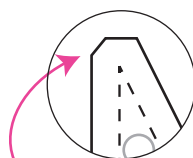

All Kaye England series rulers are designed to be compatible with each other, ensuring accurate cuts and allowing you to utilize these rulers for all of your cutting needs.

Each ruler is labeled with its size or the name of the specific job it does. Good Measure rulers are accurate, easy to read, and versatile. Designed in partnership with Kaye England, a donation to breast cancer research is made for every Good Measure ruler sold.

What the Half Rectangle ruler does:

The Half Rectangle ruler is designed to make half-rectangle triangles. Combined with the Bias Triangle (#GMBT), the Half Rectangle will make triangle-in-a-square blocks.

Because of the angled notch at the top, pieces will stitch and fit together!

Good Measure® rulers are available in 20 different styles. Collect them all!
