

45° KALEIDOSCOPE RULER

All Kaye England series rulers are designed to be compatible with each other, ensuring accurate cuts and allowing you to utilize these rulers for all your cutting needs.

Each ruler is labeled with its size or the name of the specific job it does. Good Measure rulers are accurate, easy to read, and versatile. Designed in partnership with Kaye England, a donation to breast cancer research is made for every Good Measure ruler sold.

What the 45° Kaleidoscope Ruler does:

The 45° Kaleidoscope ruler has only one purpose—to make kaleidoscope quilts and quilt blocks. This is a 45° Kaleidoscope, so you need 8 pieces, plus 4 corner pieces to make a complete block. We recommend using the Half Square (#GMHS) to make these corners.

Good Measure® rulers are available in 20 different styles. Collect them all!
