

DOUBLE DOZEN

Supply List

Determine if you want to make the traditional or brights quilt. You can make either of these with a wide assortment of fat 1/4's or just 1/4 yd cuts. The more the better. The book gives more insight into the number of fabrics needed.

In addition to your fabrics you will need:

- Rotary Cutting equipment and mats
- Half Square and Quarter Square ruler (optional and available in class)
- Any sewing notion you like to have handy when you sew
- Sewing machine in good working condition (extra bobbins with neutral thread)
- Notebook and Pencil (for copious note taking)
- Double Dozen Book (\$12.00 – available in class)

Most importantly is to come to class with an open mind and a wide variety of fabrics.
