

## **Journey to Jericho Supply List**

This class will provide the opportunity to plan and begin to piece your quilt. Much emphasis will be placed on piecing techniques and setting options. Bring notebook, pencil, camera and a copy of Journey to Jericho (will be available for purchase in class).

The class time will be spent planning your own heirloom quilt. We will spend considerable time discussing techniques that will make your work simpler and also discuss ways to incorporate Christian symbols in your quilt.

This yardage is based on the 12 block quilt, set on diagonal with an applique border:

3 1/2 yds background

3 yds for alternate block and background (print)

2 yds main fabric (to be used in each block)

1/3 yd each of four or five accent fabrics in mediums and or darks

You could just select background, main print and some accent fabrics for class work.

I encourage you to bring a camera as you will be free to photograph any of my quilts and by the end of class you will be ready to embark on your own design.
